

AURION REAL ESTATE FUND LP

A Limited Partnership Fund combining private real estate investments and publicly traded real estate securities under the management of Aurion Capital Management's real estate team supported by Goodman & Company, Investment Counsel Ltd.

Investment Objective

The objective of the Fund is to acquire, over the long term, interests in a diversified portfolio of real estate investments and publicly traded real estate securities that provide attractive current income and the potential for capital appreciation through active management of the entire portfolio.

Long term target allocation: 80% Private Real Estate Investments, 20% Public Real Estate Securities

Investment Strategy

Private Real Estate Investments

- Actively managed portfolio of real estate equity investments intended to offer income and capital gains growth
- Discretion in the strategic selection of suitable investments
- Access to over 30 asset managers using a combination of openly-marketed pooled funds and private transactions
- Investments diversified between core, value-added and opportunistic strategies
- Investments to include diversification by property type (industrial, retail and office) and by geography (across all regions of Canada with some foreign exposure)
- Investments made through limited partnerships and trusts

Public Real Estate Securities

- Actively managed portfolio of publicly-traded real estate securities intended to offer income security with a potential for capital growth
- Discretion in the strategic selection of suitable securities
- Canadian and Foreign real estate securities; Foreign exposure not to exceed 50% of the portfolio
- Investment in any of the following provided they are traded on a recognized exchange:
 - REIT units
 - Common shares
 - Preferred shares
- May also invest in debt securities of public real estate companies

Fund Structure

- The Aurion Real Estate Fund LP is a limited partnership established in Ontario
- The Fund is intended for long-term strategic, non-taxable investors and will have an indefinite life
- Aurion Real Estate Fund GP Inc. is the General Partner
- Investors will be limited partners
- Fund open to investors for a maximum period of two years, after which there will be a closed period while the private real estate investment portfolio is established
- After the closed period ends, the fund will be opened each year on December 31 for the addition of new investors and for retractions by existing investors
- Annual distributions with re-investment option

Investment Process

Private Real Estate Investments

Aurion Capital will use its unique investment management approach:

- **Deal Flow**
 - Over 30 asset managers source investment properties that are assessed by our experienced team
- **Research and Analysis**
 - On-going research and due diligence for suitable investments with site visits and comprehensive deal analysis – “Buy at the Right Price”
- **Diversified portfolio construction**
 - Ensure portfolio is diversified by strategy, property type and geography. Manage the overall risk relative to the potential return from Core, Value-added and Opportunistic investments
- **On-going management**
 - All holdings subject to continual oversight. Comprehensive annual portfolio review to re-examine existing diversification allocations and to identify sale candidates

Public Real Estate Securities

Goodman & Company will use its established investment management process:

- **Philosophy**
 - Buying “Quality [Businesses] at a Reasonable Price” (QUARPTM) and “Protection of Capital”
- **Research**
 - Internal and external research and management meetings
 - Establish target price and return expectation
- **Portfolio Construction**
 - Combine top-down outlook with bottom-up selection
 - Focus on best ideas
- **Buy/sell discipline**
 - Change in top-down outlook or sectoral emphasis
 - Overvaluation, change in business fundamentals or a preferred alternative investment
